

Governor Phil Scott invites you to join him for the annual

Christmas Tree Lighting

**Tuesday, December 9, 2025
at 4:00 PM on the State House Steps**

We welcome one and all, young and old, for an evening of fun. Festivities include the tree lighting, visits with animals (reindeer, goats, donkeys and more), and performances by Cirque de Fuego fire dancers, Shidaa West African Drumming and holiday music.

Show your home-state spirit with comfortable Vermont attire: flannel, wool, classic plaid or that holiday sweater you wouldn't normally wear in public.
